

Partnership Agreement for 2012-2013 year of the Peacebuilders Initiative

Updated: December 2011

Dear Peacebuilders Initiative Staff,

We have participated in meetings regarding Catholic Theological Union's *Peacebuilders Initiative* and we fully support the program's mission, content, and structure. Our institution is a committed partner with CTU and the Peacebuilders Initiative. We will assist the program in the following ways:

- Participate in the annual partner's meeting in the fall
- Recruit youth from our institution to participate in Peacebuilders
- Assist in the facilitation of the participant's peace project.
- Manage and report on all funds received from Peacebuilders Initiative for the project
- Participate, when possible in the program's spring orientation, summer commissioning service, and adult workshops
- As needed, identify and encourage potential mentors, ministry placement sites, and members for the program's advisory board.
